

## **Cellarman**

Join Real Ale Brewing Company, an award-winning regional brewery in Blanco, TX. We are currently looking for a passionate, hard-working individual to join our production team. The ideal candidate for this position can learn and follow direction, work well interdependently with the other members of our team, and shares a commitment to the production of world class ales and lagers. Prior brewery experience and a strong work ethic are required.

### **Job Summary**

Pitch yeast, and perform all cellar work/ back side of brew tasks in a safe and efficient manner to ensure high quality beer for packaging.

### **Primary Roles & Responsibilities**

- Use proper cleaning and sanitation procedures on heat exchangers and piping to fermenters to ensure product quality.
- Perform all cellar operations (tank CIPs, beer transfers, carbonation, record keeping) that are required on your shift.
- Sanitize fermenters and pitch yeast.
- Monitor yeast drops.
- Coordinate with head brewer, head cellarman, and lead brewers to ensure production schedule is met.
- Train for and participate in sensory program.
- Help keep brewhouse vessels/area, and cellar vessels/area clean and organized.
- Assist with cask conditioning program and specialty beer production as needed.
- Assist Brewmaster and Head Brewer with projects and other tasks as needed.
- Take on new responsibilities as necessary.

### **Essential Functions**

- Ability to work both independently and as part of a team
- Ability to be flexible with schedule, including working overnight shifts
- Report to work on time
- Proper use and handling of chemicals
- Repeated lifting of 35–75-lb. returned kegs
- Must wear company-supplied steel-toed boots throughout entire shift, and wear company-supplied safety glasses and gloves when necessary
- Safely operate fork lift, pallet jacks, and other machinery
- Adhere to company policies
- Must maintain current TABC server certification
- Responsible at all times for promoting a safety culture and awareness within their area.
- Support and adhere to all plant safety policies and procedures at all times

### **Experience**

- Minimum of one year experience as a brewer or cellarman required. Two or more years experience is preferred.
- Four year college degree is preferred.

### **Employee Benefits**

Paid Time Off • Employer paid health dental, vision, and life insurance • Employer paid long-term disability insurance • Simple IRA with employer match • Voluntary short-term disability insurance • Voluntary additional life insurance • and, of course, Beer!

*RESUME, COVER LETTER, AND APPLICATION must be submitted for consideration.*
