LA PETITE TOUCHE

STRAIGHT MALT WHISKEY
finished in a French Oak Barrel

Distilled from grain in Blanco, TX. La Petite Touche American Malt Whiskey was aged in new charred white oak barrels for over three years, developing the signature flavors of caramel, vanilla, cherry, coconut, and tobacco commonly found in our whiskeys. In collaboration with Calais Wines in Hye, TX, we finished this whiskey in a French oak barrel for six weeks adding a “small touch” of sophistication, resulting in notes of leather, toasted almonds, and a velvety mouthfeel. Enjoy neat, on the rocks, or level up your favorite whiskey cocktail.

AGED AT LEAST 36 MONTHS
