

LOST GOLD

YEAR ROUND

IPA

AN ABUNDANCE OF AMERICAN HOPS MARKS THE SPOT.

Texas has more buried treasure than any other state. (Seriously, Google it.) That fact was the inspiration for Lost Gold. English Crystal malts give this IPA a rich golden-orange hue and a subtle, yet firm, malt background. Bright and citrusy with grapefruit notes, Lost Gold features an abundance of American hops that always mark the spot. Don't worry, however, you won't have to hunt for this treasured favorite. It's available year round all over Texas.
