

KRAKEN

MYSTERIUM VERUM

BARREL-AGED BARLEYWINE

Release the Kraken! The evolution of Sisyphus Barleywine into the Kraken is always complex. Some years have seen blends of younger and older aged barrels, some have seen a touch of farmhouse character blended for complexity. For our 2016 release we've made our first run with custom-toasted, new American Oak barrels. Strong aromas of oak are softened by notes of toffee and vanilla, while the flavor yields to orange marmalade, caramel sweetness, and a dry oak finish. As with each release, the Kraken is one of our more limited Mysterium Verum offerings, so get it while you can.

MYSTERIUM VERUM

Once small and experimental, now dynamic and award - winning, this diverse family of ales utilizes a variety of barrels, as well as secondary fermentation with wild yeasts and bacteria to produce complex flavors beyond the realm of traditional brewer's yeasts. Latin for "Real Mystery," our Mysterium Verum series embraces the endless possibilities of these transformations.
