

TENEBRA AETERNA

MYSTERIUM VERUM

BARREL-AGED SOUR PORTER

Latin for “eternal darkness,” Tenebra Aeterna means more than just the absence of light—it brings a shadow of dark malt into the realm of sour beers. A robust porter brewed with chocolate and black malts is interred in oak with nothing but our MV House Culture to keep it company. After many moons, the ale emerges, and we meet a sour beer like no other. Tenebra Aeterna is marked by notes of dark, sour fruit and a tantalizing character of subtle roast and cocoa. Come out of the light, and embrace the darkness.

MYSTERIUM VERUM

Once small and experimental, now dynamic and award - winning, this diverse family of ales utilizes a variety of barrels, as well as secondary fermentation with wild yeasts and bacteria to produce complex flavors beyond the realm of traditional brewer’s yeasts. Latin for “Real Mystery,” our Mysterium Verum series embraces the endless possibilities of these transformations.
