

REAL HEAVY

YEAR ROUND

SCOTCH ALE

STRONG AND MALT DRIVEN. PART HIGHLANDS. PART HILL COUNTRY.

A Scotch ale brewed by metal aficionados could be called nothing else but Real Heavy. Our take on the Wee Heavy style is an imposing malt forward brew weighing in at 9.3% ABV. It is brewed with English Crystal malt, English hops, and fermented with our house English ale yeast, resulting in a rich brown color and a toffee accented malt character. Bang your head with a couple of pints of Real Heavy.
