AMERICAN PALE ALE

THERE'S ALWAYS TIME FOR A SWIFTY!

Swiftly is a refreshing revival of a classic American style - the American Pale Ale. Built on a tried-and-true foundation of American 2-row barley, this rendition of APA has a deep golden color and a light-medium body. Hops, though, are where the real innovation takes place. Our new brewhouse has a built-in cooling loop between the kettle and the whirlpool, allowing us to cool the wort before adding the final hop additions. The cooler temperature enhances the bright citrus and tropical notes from Idaho 7 and Citra hops, while reducing the harshness that higher temperatures can bring out. Using Mosaic Cryo pellets in our dry hop further emphasizes the fruit contribution of our hop blend, while diminishing grassy notes that come from extraneous plant material. Swiftly APA delivers bold flavor, remarkable balance, and thirst-quenching crushability. Here at Real Ale, we believe there's always time for a Swiftly!
