## **BRIGHT & HOPPY WITH FEW NATURAL PREDATORS**

It's the Axis you know and love – rich in tropical fruit, citrus, and a pale golden body, only bolder! In the spirit of making everything bigger in Texas, we have thrown more hops at this exotic animal. Our creative team deftly infuses this beer with twice as many hops as the original, adding them at two different times during fermentation. Doubling down, we boldly modify our exclusive hop blend by featuring an additional hop not found in the original version. The feature hop will rotate throughout the year to keep this hybrid beast elusive. This rarity is guaranteed to move quickly. Try to bag one while you can!
