

REAL ALE BREWING CO

WALLBALL

So fresh and so clean, this India Pale Lager (one of the first beers created on our 10-hl pilot system) was no doubt crafted with hops in mind. Inspired by the enigmatic DJ handle of James N, one of our intrepid brewers, we wanted a clean canvas (a wall if you will) to bounce mad amounts of hops off of. As a result, this pale golden lager is jammed full of copious late hop additions of Citra and Callista. Quickly snap your wrist and throw down a WALLBALL or two – you'll be bouncing for days!
