MYSTERIUM VERUM

BARREL-AGED RUSSIAN IMPERIAL STOUT

Collusion, our newest Mysterium Verum release, is a Russian Imperial Stout aged in freshly dumped Real Spirits whiskey barrels. It lingered in wood for months, absorbing qualities of both barrel and spirit.

This remarkable comingling of two superpowers produced an ale layered with subtleties of vanilla, oak, and dark chocolate. Our Collusion is nothing to hide or deny – in fact, we are quite proud to share this bold expression.

MYSTERIUM VERUM

Once small and experimental, now dynamic and award - winning, this diverse family of ales utilizes a variety of barrels, as well as secondary fermentation with wild yeasts and bacteria to produce complex flavors beyond the realm of traditional brewer's yeasts. Latin for "Real Mystery," our Mysterium Verum series embraces the endless possibilities of these transformations.
